Central High School
2017 Project Graduation
Keller Independent School District

Central High School Project Graduation is a tradition in our community that recognizes the accomplishments of Seniors graduating from Central High School. The goal of this event is to provide an exciting, all-night celebration, lock-in style that is free of alcohol and drugs. CHS Seniors will be able to celebrate with their fellow classmates in a truly safe environment on Saturday, May 27, 2017!

All cost for this event are covered by tax-deductible donations from businesses and parents in our community as well as fundraisers that the students participate in all year. Some of those fundraisers include candy sales, garage sales, car wash, restaurant nights and volunteering for community events including working concessions at AT&T Stadium and the Turkey Trot.

These donations and fundraising proceeds go toward paying for a wide variety of activities, great food and prizes awarded throughout the evening. Your generous support will help make the CHS 2017 Project Graduation a success. Gifts of any amount are appreciated and will be recognized on our website. Central High School is a non-profit organization with a 501(c)3 status. Contributions can be picked up by one of our volunteers or they can be mailed to the above address.

The Central High School Class of 2017 sincerely appreciates your support of this worthwhile, memorable and important event.

If you have any questions, or if you need additional information, please give us a call or email at your earliest convenience.

Thank you in advance for your consideration,

Leigh Ann Masters
